## Affairs of the Heart

Borislava Borissova

RoseHeart Publishing is pleased to announce the release of Borislava Borissova's second book, *Affairs of the Heart*. Two finely-crafted novellas in one book, Borislava Borissova tells the stories of love lost and love found.

In *A Love in Time of War*, passion, hatred, love and great efforts for changes in peace affect everyone's life of two warring nations. Differences abound in cultures, religions, languages, and traditions for a young Bulgarian girl and a Turkish officer trying to overcome the obstacles between them. The wars becomes the past, the past becomes history, and through the years only love is still alive in a very beautiful

**In *The Last Secrets of the Ancient Island* is a story, which begins with the fears of loneliness which can change our world with the same strength as strong love or hatred. A series of mishaps in an old town casts suspicion on a number of residents. Amid an unveiling of the last mysteries of ancient sights as yet unexplored by historians and archaeologists, a daring robbery and a lover's tryst, an unknown driver is motivated by his own tragedy to take his life and puts those in danger as his desperation escalates.**

**Each story is filled with love and heartache, tears and laughter and will make you.**
