## ANJAN

Lárus Einarsson

**ANJAN**  
Lárus  
Einarsson

Lárus Einarsson introduces an action-centered fairy tale in his first novel, *Anjan*. The release of his first novel foretells an ancient prophecy of the destruction of many nations.

Thousands of years ago, the universe once consisted of three worlds: the world of Elves, world of Humans and the Hidden world; which were often filled with greed, evil deeds and barbaric wars. Throughout the ages, these actions have been suppressed but still no one feels safe with the passage of time. This thrilling and action-centered story in its first serial, tells of a White Witch Kata from the World of Elves who discovers an ancient prophecy foretelling of a great threat that will

**bring destruction to many nations. Her mission to seek help takes her to many dangerous lands where she encounters the wrath of awakened evils who has discovered part of the prophecy.**

**Having finally found the boy Anjan in the revelation, she loses her strength and now the task of saving her people and the other nations is left with the young boy. Anjan, accompanied by loyal Elves, faces great tribulations and the imminent attack of evil forces and their ferocious minions as he journeys to face the mighty dragon.**

**ABOUT THE AUTHOR:**

Lárus Einarsson lives in Iceland with his inspirational wife Matthildur and his old office secretary, Branda the Cat. He has three children and five grandchildren. When not writing, Larus occasionally goes fishing, play golf and loves spending quality time with his grandchildren. For more information on the author, please visit his website at [www.laruseinarsson.com](http://www.laruseinarsson.com).
