FOR IMMEDIATE RELEASE

## the Autumn of Traces and Enchantment

Ali Alavi

It is with pleasure that RoseHeart Publishing announces the release of a first novel by author Ali Alavi, *The Autumn of Traces and Enchantment*. Ali Alavi captures the essence of mystery and the mystical in this riveting tale of kidnapping and murder.

Christopher Wayne makes a business decision and leaves his corporate job to pursue a writing career at the time when the city of Portland, Maine is haunted by the mysterious disappearances of four young women. Moving to nearby Peaks Island and rekindling an old flame, he begins his first novel. Intrigued by the unsolved cases of the missing girls, his hunt for them becomes a riveting adventure that takes him to the backstreets of

continued (over)

Boston where he visits churches and brothels, searching for evidence, only to find the missing girls were abducted by an escaped psychopath who has imprisoned them in the dungeons of the old mansion on the island where he lives.

As police try to put the pieces of the puzzle together a series of uncanny events draws Chris and Rachel to the case. She takes possession of an amulet, which enables her to receive messages from the realm of the dead. Unaware of the trinket's power, Rachel initially believes she is troubled by nighttime hallucinations. While Rachel continues to undergo unexplainable experiences, a series of events thrust Christopher in the middle of the investigation that his friend, Professor Sanjih, is a part of. Christopher soon realizes Rachel's claims about her contacts with apparitions are based in reality. When his girlfriend, Rachel is abducted by the same villain, Christopher wonders if she will be the next to die. The battle between good and evil escalates in an old cemetery and only Christopher can save her before time runs out.
