FOR IMMEDIATE RELEASE

The Snapshot & Other Stories: Tales of Flowing Wells

Chip Ballard

RoseHeart Publishing takes pleasure in releasing *The Snapshot & Other Stories: Tales of Flowing Wells* by Chip Ballard. This collection of well-crafted short stories are all set in rural Pinewood County, Florida in the fictitious small town called Flowing Wells. Chip takes you on a journey into the rugged interior of small town Florida and the discovery of a way of life in the Sunshine State few outsiders realize still exists.

Each story is filled with unforgettable tales offering a mix of the passions and pain of real people on the rough and rugged edges of small town living. These tales chronicle life and living filled with emotion and drama, depicting realism, humor, camaraderie and friendship.

This expressive collection of twenty stories relates the heartfelt traditions of southern living at its very best, offering insightful treasures, beliefs and faith that clearly explain in simple terms how lives are impacted by the past and present, childhood to adulthood and the reflections and dreams of what might have been.

With the release of *The Snapshot & Other Stories: Tales of Flowing Wells*, Chip Ballard provides us with a window into the lives of people invigorated with the human spirit, the muddled mind and quirky character.

Chip Ballard's rendering, and sometimes poignant, collection of stories offers us laugh out loud humor, sometimes a sharp intake of breath and a way of life few are subjected to and should never be forgotten.
